dedication

Mr. Howard teaching one of his math classes . . .

. . .and taking care of senior business.

For the image among the teachers and students at Franklin High School . . .

For the pride in the quality of his own work . . .

For the diligence and patience in working with students . . .

For the deep concern in the future of those students who study under him . . .

For the pride in the goals and achievements of our school and our students . . .

For the help in organizing the spring graduation program and other senior functions . . .

For the esteem in which he is held by the people of the community . . .

For all of these and many other reasons, the 1968 LAUREL LEAF is proudly dedicated to

MR. L.C. HOWARD

appreciation

Miss Hemphill working with her students . . .

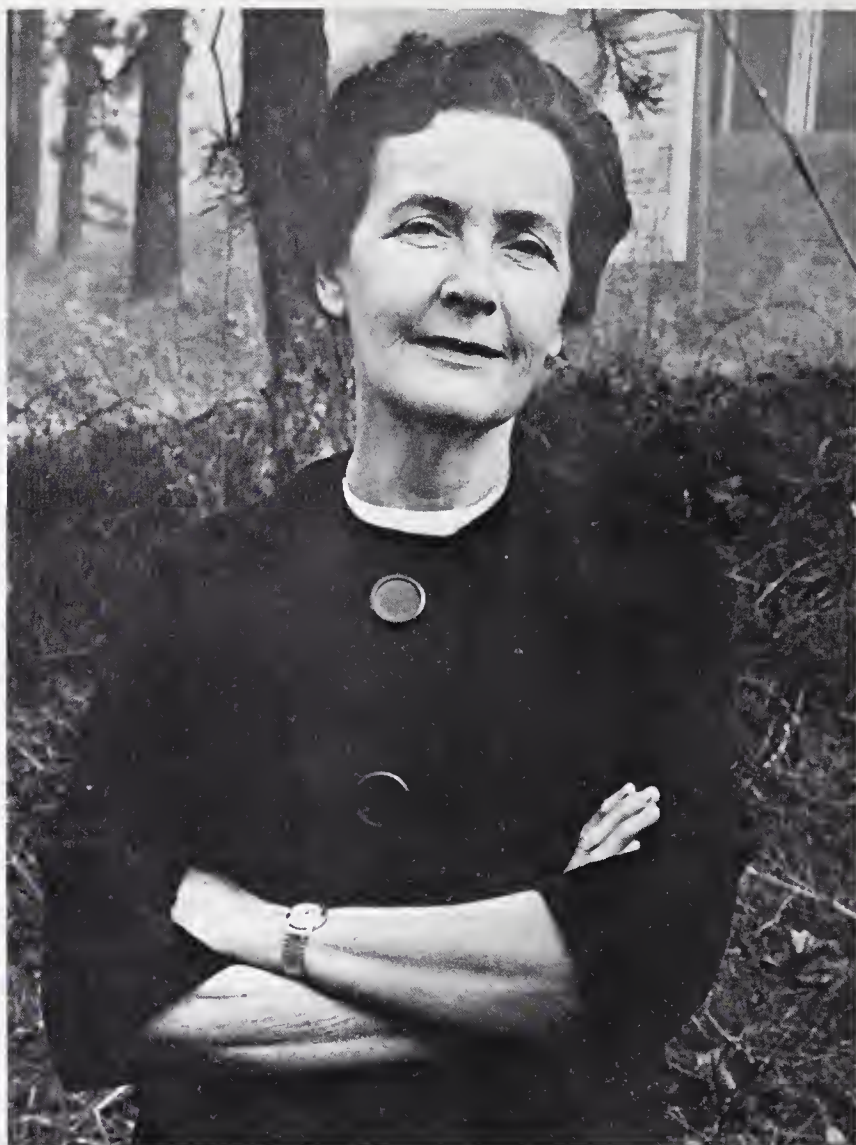

We wish to express our thanks for all the many things this teacher has done for the students of Franklin High School. She has given freely of her time, patience, and supplies to help make successes of the many programs and projects of the individual classes, the band concerts, and many school club functions.

Also through her special efforts, the Junior-Senior Prom has achieved the reputation of exhibiting original and creative ideas.

Had it not been for her faith and determination in working with her students, many hidden talents might have gone undiscovered.

For these and many other reasons the 1968 LAUREL LEAF proudly expresses its deepest appreciation to

AT F H S

We stand to praise Old Franklin High,
To thee we will be true;

Our hearts are filled with memories,
Our faith to thee renew.

Our friends, our teachers, loved ones too,
By whom we have been blessed,

We give our heart-felt gratitude
To the school that we love best.

Each day is filled with happiness—
Each moment with delight;

With all friends and teachers too,
We salute the RED and WHITE!

SUPERINTENDENT'S MESSAGE: The Dodo is dead and the Dinosaur too. They could not acclimate; how about you?

MR. CHARLES O. FRAZIER, Principal

MRS. CONNIE H. CAMPBELL
Secretary to the principal

THE PRINCIPAL'S MESSAGE TO THE MEMBERS OF THE GRADUATING CLASS:

You have now reached one of the important milestones in your lives. The completion of the secondary school course of study will open a new door to all of you. For some it will lead to further formal education in colleges and universities. For others it will point the way to vocational or technical training. Many will find employment in the labor market or will enter military service.

For all of you, the ending of your high school years should signify a beginning of new pursuits and a continuation of mental and moral growth. In high school you have acquired some of the tools that will assist in such a continuing growth process.

Our wish for you is that you will enter upon adult life with attitudes and abilities that will enable you to be of real service to others and to enjoy personal happiness in your own lives.

Jack-of-all-trades.

The Fighting Panthers began the 1967 football season as a small but experienced team, having thirteen seniors and a few juniors and sophomores returning from the previous year's squad. The Panthers met Georgia Industrial and were defeated 6—0 in a game hampered by a steady rain. The second night of the season, the Panthers journeyed to play the Wildcats of Clayton, and again they ended up on the wrong end of the 29—0 score. In their next outing the Franklin eleven played gallantly but were outclassed by the highly rated Andrews team 20—0. In their fourth game the injury ridden Panthers lost to arch-rival Sylva-Webster 25—0. The Fighting Panthers scored

their first touchdown against Hayesville, but again they were edged 13—6. The hard-luck eleven lost their sixth game of the season to the Murphy Bulldogs 40—0. The Panthers, weakened by numerous injuries to key players, traveled to Robbinsville for their next game and were blanked 39—0. The next week the fired-up Panthers were nicked by the Swain High Maroon Devils 3—0. In the ninth game of the season the Fighting Panthers were outclassed by the powerful Tuscola Mountaineers 39—7. The Fighting Panthers ended the season on a bright note by trouncing Cherokee on Homecoming night 20—6.

The Franklin Panthers, under the leadership of Coach Tom Raby, entered the 1967-68 basketball season with only two seniors on the squad. With two juniors and three sophomores on the starting five, the Panthers were a small and relatively inexperienced team. However by showing a lot of hustle and desire, the boys now hold an even overall record. As the LAUREL LEAF goes to press, the Fighting Panthers have won their last four games and are in third place in the conference standings.

Girls' Basketball

The Franklin High Pantherettes began the 1967-68 basketball season under the leadership of a new coach, Mrs. Elizabeth McClure. With all six starters having gained valuable experience last year, the girls entered the basketball race with a well-balanced, experienced team. By showing a lot of teamwork and hustle the girls hold an 9-3 record as the annual goes to press. The Pantherettes are in second place in the conference standings by virtue of two defeats at the hands of the powerful Swain High girls.

Our Year

It all began on August 26, 1967—the beginning of a new school year that was to be unique in its own right. Some nine hundred students invaded the grounds of Franklin High School.

We were reluctant to leave our three summer months of vacationing, sleeping late, swimming, maybe a little working, and just plain loafing to return to nine months of books, books, books!

Yet we were ready and willing in another way because we were anxious to renew our old friendships of last year. All of us were wondering if we would get what we registered for, who our teachers would be, and most of all what our new principal would be like.

The first days were ones of bewilderment for the freshmen as they went to the wrong classes, forgot lock combinations, and discovered they were missing one of their newly acquired books. The sophomores walked proudly, realizing that they were no longer freshmen. The juniors seemed unusually conceited and knowledgeable. And last, but not least, the seniors could hardly believe they acquired this high status, but they soon adjusted to the change.

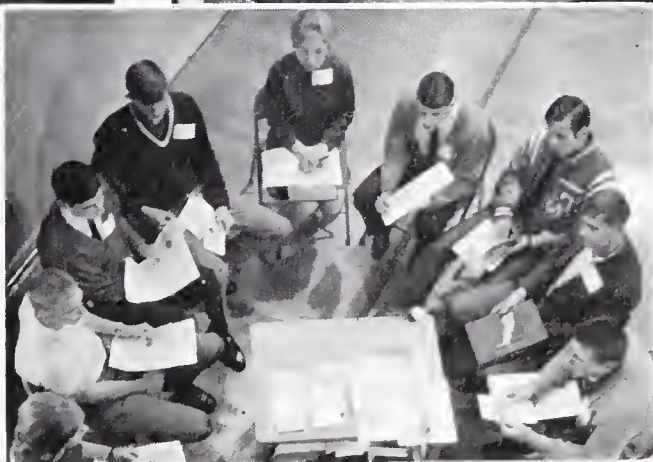

Before we knew it, the football season was upon us. The boys were working harder than ever for victory. However, regardless of the outcome, the school spirit exemplified by pep rallies and enthusiastic cheerleaders was always there to back the team. The end of football season was crowned by a victory and a beautiful homecoming queen.

November was a busy month for everyone, filled with hours of renewed study, with breaks for College Day, College Board preparation, the Teenage Workshop, and the arrival of senior class rings.

Soon after the Thanksgiving holidays, the walls of the gym were echoing with the thud of the basketball and the resounding cheers of the students.

As the seniors finally endured their long-dreaded College Boards and began waiting for the verdict, there were other things to occupy our time—Christmas parades, Christmas parties, and Christmas!

With memories of the holidays still clear and the new year's resolutions on our minds, we trudged back to school only to begin preparation for midterms.

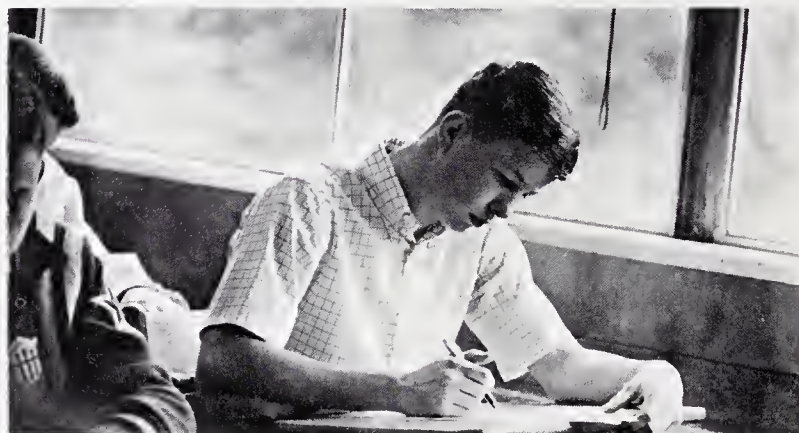

With midterms off our minds, our thoughts now turned to the Miss Franklin High School party. Who will SHE be? What will SHE be wearing? What will I be wearing? As basketball season came to an end, each student had his own thoughts—some of snow, some of meeting year-book and paper deadlines, some of spring, and some even of studies.

Spring arrived! Our minds turned to things other than our studies—the outdoors, love, and most of all the Junior-Senior Prom. Thanks to many diligent hours of planning and decorating, the Prom was a success. Now we began to count the days; only thirty more school days until graduation.

Meanwhile every spare minute was devoted to preparation for final exams, which meant passing or failing for some, and hopefully graduation for the seniors.

The night arrived and one hundred fifty tired and yet proud seniors stepped up to receive their greatly anticipated diplomas. Regardless of what the future held, our years at Franklin High School would always be special memories to treasure.

CHARLES L. HUNTER, WINSTON-SALEM, N. C.
